

Doing Business with CSU 2023

Businesses are invited to attend this virtual informational session with Colorado State University Procurement Services. These monthly meetings, held on the 3rd Thursday of the month from 2-2:45 p.m. MST, allow businesses to meet the Procurement Specialists that procure their good or service. Attendees will also learn more about doing business with CSU.

Interested? Please reach out to smallbusiness@colostate.edu to reserve your space and receive the Teams link.

Supplier Inclusion at CSU

The Supplier Inclusion program supports the University's goals for promoting inclusive, equitable, and socially responsible purchasing.

CSU includes the Fort Collins and Foothills campuses, eight Agricultural Experiment Stations, CSU Extension in 62 of 64 the state's counties, the 17 district offices of the Colorado State Forest Service, numerous Colorado farm and livestock installations, and the Center for the Management of Military Lands (CEMML) stationed at military bases across the country and U.S. territories.
